two one-page reports on the following Hungarian ammunition factories:

1. Small-arms ammunition factory, Budapest XIV, September 1955, which for security reasons was reportedly called the Metal spare-parts factory.
2. Ammunition parts factory, Diod, March 1956.

Also available are sketches of the exterior layouts of the two installations.

MILITARY

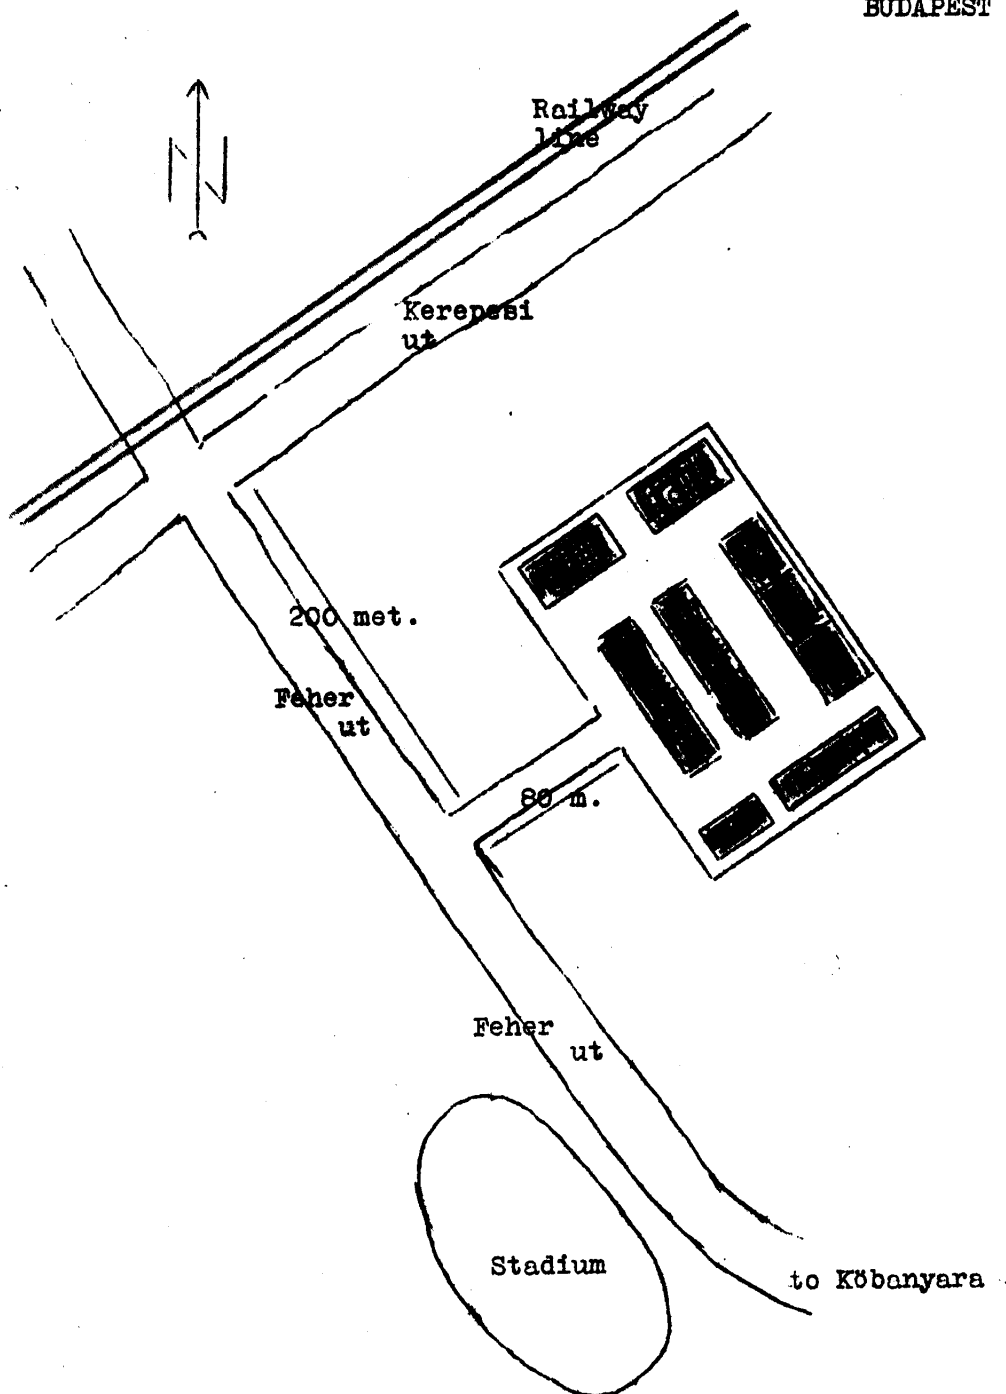

Small-arms ammunition factory, BUDAPEST XIV :

September 1955

1. The factory is located in Feher St., having its entrance approximately 200 metres from the corner of Kerepesi St., BUDAPEST XIV. (See sketch at Appendix "A"). It was erected in 1953 as a branch factory of the Danuvia Iron Works, BUDAPEST, Hungary. For security reasons it is named
C/R * "Fémalkatreszkeket gyártó Vállalat" (Metal spare-part factory)
Budaörsi H. gy.
2. Description of the buildings :
HQ and offices, marked (a) on sketch;
Machining departments marked (b);
Steel-hardening department marked (c);
Assembly-plant marked (d);
Production-control office marked (e) on attached sketch.
3. About 250 labourers working in two shifts are employed there. Its products are small-arm cartridge-cases, hand-grenade and mortar shell-cases. No statistics are available.

MILITARY

Ammunition-Components Factory, DIOSD

1. The factory is situated in a wooded area about 100 metres North from the 15-km stone on the road BUDAPEST - ERD.
See sketch at Appendix "A".
2. It covers an area of about 110 by 120 metres, surrounded by a barbed-wire fence, and consists of the following buildings :
 - Offices marked (a) on the attached sketch;
 - Raw-material and finished-product stores, marked (b)
 - Four factory buildings housing machinery, presses, steel-hardening department, turning-benches and various light machinery and tools, marked (c).
3. About 300 labourers working in three shifts are employed there.
4. Parts for grenade-heads, fuses for hand-grenades and "saucer" mines are produced by the factory (but not assembled or filled with explosives), and are delivered to TÖRÖKBALINT.
5. The factory is affiliated to the DANUVIA Works, BUDAPEST.
